Woman to Woman Conference
25th Year

Summers Mill Retreat & Conference Center

September 17th , 18th , 19th , 2010

Well, Ladies, it is again time to register for your annual Straight from the Heart conference. The board of this conference has worked very hard since last September in order to bring you the best conference we can. To that end ,we have been listening to your input and have done a lot of praying and searching for a new location for the conference. We hope you will be pleased with our selection. The enclosed brochure will give you a good idea of what you can look forward to as it describes Summers Mill Retreat & Conference Center as "a uniquely designed facility for innovative conferencing. Its seclusion and comfort encourages people to relax, unwind and think creatively." The board members got a firsthand look at this facility during our board meeting in February . We spent the night, checked out the lodging and food and were immensely impressed as we think you will be. The center is located just minutes away from Belton and just a bit north of Salado.

*With this change of venue, we have also had to make some changes in the way we will be handling the registration process. There are 95 beds in 60 rooms, most but not all have 2 queen beds per room. The registration fee will be an all inclusive fee * and rooms will be assigned on a first come first serve basis. NO Smoking in any buildings. Feel free to check out this facility at www.summersmill.com .*
